

Truck Parts Body Ductile Cast Iron Die Mold Sand Casting Process Engine Transmission Housing

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC89
- Certification: ISO9001
- Model Number: 89
- Minimum Order Quantity: 1 pcs
- Packaging Details: Customized
- Delivery Time: 25 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 pcs per month

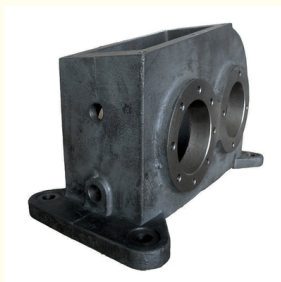

Product Specification

- Material: Iron
- Application: Truck Parts Body
- Production Process: Casting +machining
- Packaging Details: Wood Pallet
- Delivery Time: 25-30 Days
- Certification: ISO9001:2008
- Highlight: Engine Transmission Housing ductile cast iron,
Engine Transmission Housing ductile iron,
Engine Transmission Housing ductile iron foundry

Product Description

Truck Parts Body Ductile Cast Iron Die Mold Sand Casting Process Engine Transmission Housing

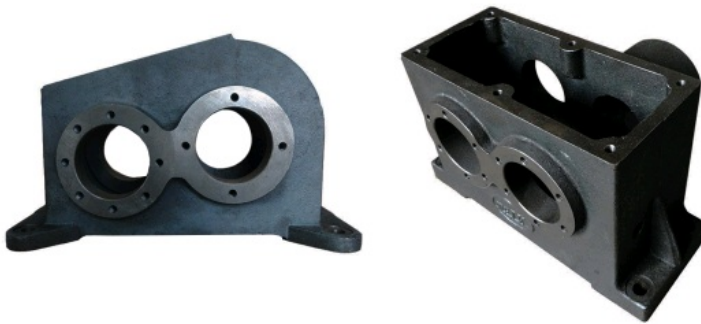

Factory Information

Sunrise Foundry has capacity of producing compressor case, motor housing, reducer case, transmission housing, valve case, iron casting and steel casting for lots of equipments including some railway spare parts and auto parts, locomotive spare parts.

We have been making heavy-duty diesel engine components and any other related products for many years. Please send us drawings or samples if you want to seek the most competitive price.

Product Details

Product Name	Ductile Iron Casting Sand Casting Engine Transmission Housing for Truck Parts Body
Material	cast iron, steel, etc
Casting	sand casting
Surface Treatment	powder coating, painting, spraying, galvanization etc
Inspection Equipment	Profile projector, Rockwell hardness tester Vickers hardness tester roughness tester, universal microscope, CMM, digital caliper and etc.

We supply entire vehicle auto parts: auto drive train, auto electrical system, auto engine system, body parts, steering system, universal parts and other parts.

We can supply both genuine and copy parts with competitive price as the customers' requirements, even they are difficult to find in market.

Our Service

1. Your inquiry related to our products or prices will be replied in 12 hours.
2. Individual formula according to customers' special drawing requests
3. Manufacturer with large capacity, ensures the fast production cycle after confirming the order.
4. Providing free samples + dimension inspection report + material report
5. Checking raw material, and inform customer before mass production;
6. Informing customer production schedule weekly;
7. dimension inspection report, material report to customer before shipment.

Why Choose Us

Have rich experience in exporting for over seven years
Quality Warranty : ISO/TS16949:2009
Product picture can be provided by camera when you asked and send to you
Reasonable price
Advanced testing equipment
100% Quality Control inspection before shipment
Strong and standard package
Short production time and fast delivery , Keeping 60-70% inventory ratios.
