

CE AISI Sanding Cast Iron Brackets / Agricultural Machinery Bracket Machined Iron Casting

Our Product Introduction

Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC89
- Certification: ISO9001
- Model Number: 89
- Minimum Order Quantity: 50 pcs
- Packaging Details: wooden case
- Delivery Time: 25days
- Payment Terms: T/T, L/C
- Supply Ability: 50000 pcs per Month

Product Specification

- Part Name: Cast Ductile Iron Brackets
- Material: Ductile Iron
- Casting Method: Thermal Gravity Casting
- Finish: Sand Blasting
- Surface Roughness: Ra3.2
- Delivery: 25 Days
- Package: Customized
- Machining Tolerance: +/-0.10mm
- Standard: AISI
- Certification: CE, ISO 9001:2008
- Payment Terms: T/T, L/C
- HS Code: 84314990
- Highlight: **cast iron sand casting, resin sand casting**

Product Description

CE AISI Sanding Cast Iron Brackets / Agricultural Machinery Bracket Machined Iron Casting

About Us

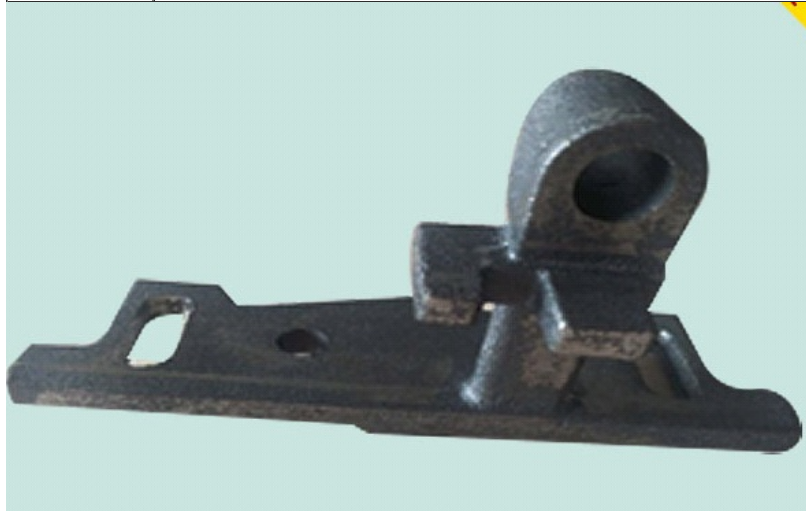

We are professional in producing cast iron castings, steel castings and some special material metal castings. The iron casting material include ductile iron castings and gray iron castings. Cast steel include stainless steel castings and carbon steel castings.

We use the processes of quartz sand casting process and Furan resin-Sand casting process to produce the casting parts. Dimension tolerance we could reach is CT10-12, Our company is export-oriented, and the Sand casting parts have already been sold to Australia, United States, Canada, UK, (Britain, England), Holland, France, Germany, Denmark, Sweden, Finland, Russia, Spain, Portugal, Italy, etc.

Those Sand casting parts are widely applied in the train, Wagon, engineering machinery, auto parts, truck, ship, mining machinery, Valves, Drilling rig machinery, agricultural machinery, construction machinery and so on.

Product Information

Main material	Ferrous metal	Ductile iron, Gray iron, Stainless steel, Carbon steel
	No-Ferrous metal	Aluminum, Titanium, Brass, Copper, Zinc
Technical process	Green sand molding, Resin sand molding, Shell sand molding, Lost wax casting & Investment casting	
Machining	CNC, Turning-lathe, NC-Boring machine, NC-Drilling machine, NC-Milling machine	
Products standard	ISO; DIN; ASTM; AISI; ASME; AWWA; JWWA; EN; BS; JIS; NF; CAS; GB	

We could cast and process any type of products according to the drawings or samples of our customers. And our products are with high quality and competitive price. The main products we do are as follows;

1). Construction equipment spare parts (bucket tooth and adapter, pins, bolts and nuts, roll cage, end bits etc.)
2). Agricultural machinery parts (plough tip, ripper tine, plough adapter, etc)
3). Marine equipment parts (gearbox, container lashings, twist locks, etc.)
4) Transmission equipment parts (gear, chains, sprocket, etc.)
5). Some others like train parts, mining equipment parts, extruding machine parts, valve, pump parts, etc.

Our Advantages

Professional manufacture.
Professional design and OEM.
High quality system.
High quality after marketing service.
World-class equipment make sure the high efficiency delivery.
