

Compressor Case Motor Housing Grey Cast Iron Casting Transmission Housing Valve Case Gearbox

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo,China
- Brand Name: NC405
- Certification: ISO9001,CE
- Model Number: 405
- Minimum Order Quantity: 1 pcs
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

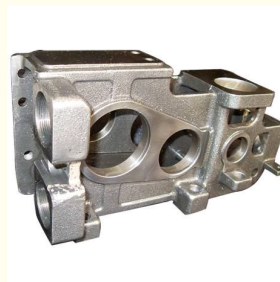

Product Specification

- Material: Cast Iron
- Process: Machining After Casting
- Surface Treatment: Painting
- Dimensions: Customer Required
- Certification: ISO9001:2008
- Application: Hydraulic Industry, Heavy Machinery
- Highlight: **Compressor Case Motor Housing Casting, Transmission Housing Valve Case Gearbox Casting**

Product Description

Compressor Case Motor Housing Grey Cast Iron Casting Transmission Housing Valve Case Gearbox

Factory Information

Our factory is good at producing compressor case, motor housing, reducer case, transmission housing, valve case, etc. Iron casting and steel casting for lots of equipments including some railway spare parts and auto parts, locomotive spare parts.

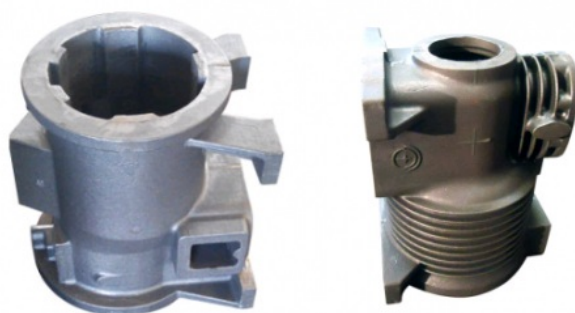

Product Details

Item Name	Cast Different Types of Compressor Case Motor Housing Reducer Case / Transmission Housing Valve Case Gearbox
Material	Gray / Grey iron, ductile iron.
Production Process	Sand casting, lost foam casting etc.
Surface Finish	Powder coating, painting, spraying, galvanization etc.
Inspection Equipment	Profile projector, Rockwell hardness tester, Vickers hardness tester roughness tester, universal microscope, CMM, digital caliper and etc.
Machining	lathe, CNC, drilling machine, milling machine, boring machine, planting machine, machining center etc.

Our Service

1. Your inquiry related to our products or prices will be replied in 12 hours.
2. Individual formula according to customers' special drawing requests.
3. Manufacturer with large capacity, ensures the fast production cycle after confirming the order.
4. Protection of sales area and private information for all of our customers.
5. Providing free samples + dimension inspection report + material report;
6. Checking raw material, and inform customer before mass production;
7. Informing customer production schedule weekly;
8. Arrange shipment, and Inform customer in advance 7 days before finishing the order;
9. Before shipment, send the detailed product pictures, dimension inspection report, material report to customer;
10. Delivery is on time.

Packing way	wooden Carton , plywood case, or wooden pallet (depend on packing type and actual model)
Delivery time	within 1-5 days for stocks, and 7-20 days for bulky production.
Trade term	EXW, FOB, CFR, CIF
Port	Ningbo, Xiamen and so on.
Payment term	T/T, L/C, Western Union (According to countries and order quantity to adjustment)
Warranty	90 DAYS after arrival
Delivery way	1. small and light goods : by express, by air . 2. large order or heavy : by sea . 3. urgently or heavy: by air 4. based on customers' specific demands

FAQ

How to order?

Customers can offer us the model number, parts name, parts number, photos, sizes of items, quantity, delivery date, then we can according to your information to offer you the best price and best delivery way.
